

ANONYMOUS REPORTING  
GIVE YOUR EMPLOYEES  
A VOICE  
SO YOU CAN  
SAFEGUARD YOUR WORKPLACE  
AND  
COMPLY WITH HUMAN RESOURCES POLICIES

REDUCE  
WORKPLACE  
RISK

The Society for Human Resource Management (SHRM), "best practices" for workplace violence prevention policy, suggests that potentially dangerous situations must be immediately reported to a supervisor or the human resource (HR) department. Reports can be made anonymously, and all reported incidents will be investigated.

SHRM further recommends that employees should exercise good judgement and inform the HR department if any employee exhibits behavior that could be potentially dangerous, harassing, or hostile.

Enable your organization to identify and track potential hazards and real threats, confidentially, ensuring a safe and secure workplace.

## KEY FEATURES

- Customizable incident types, locations, and details
